*October 2009*

*Dear Parents,*

*The Religious Education year is in full swing, students and catechists are sharing their stories and their faith in God. All is well!*

*In our attempt to give you an evening to share family time, we are celebrating the week of Columbus Day as our family days. There is no RE class therefore enjoy your time together on Monday and Wednesday, Oct 12 and 14.*

*When the students return on the 19<sup>th</sup> and 21<sup>st</sup>, to honor the month of Mary and the Rosary we will gather in church to pray the rosary together at 5:15. Please encourage your child to bring his or her rosary on that day. You are also invited to come and pray with us on the day with your child. If you do not have a rosary for your child we can provide one.*

*I would like to thank you for your cooperation with the parking lot procedures, particularly with the Wednesday pick-up procedure. As a result each week the timing seems to run more smoothly than the previous one. We have arranged a dismissal bell so the students will be exiting the building at the same time. The season of Fall brings us new colors, new smells and new challenges. Just a reminder to you of further precautions we need to take when it gets darker, and wetter, and colder outside. Please turn your lights off and simply stand outside your car so your children can find you. With headlights on it is very difficult to see anything but the bright lights. Once again if you choose to park on Keeler you cannot park in front of the school as that is a fire lane and needs to be open when children are in the building.*

*Lastly, our 6<sup>th</sup> and 7<sup>th</sup> grade students will be kicking off our 4<sup>th</sup> annual Family Mass celebration. They will be participating in the music, welcoming, and environment at the 5:30 mass on October 17<sup>th</sup>. Please join us to support their hard work and to learn our new theme song for the year.*

*Sincerely,*

*Jeanne Lassandrello  
Pastoral Associate/DRE*
